

DEA REGISTRATION

10th Chemical Conference

Topics of Discussion

- Population
- Web application/renewal
- Web based changes

List I Chemical Registrants of August 2008

- Distributor 881
- Manufacturer 192
- Importer 162
- Exporter 164

Total Chemical Registrants 1,401

FYI- There are 1,309,195 Controlled
Substance Registrants

Web Based Changes

- The following actions can be done interactively via the web
 - Address change
 - Name Change
 - Add/Remove Chemical Codes
 - Print a duplicate certificate
 - Validate other DEA Registrants

Chemical Applications/Renewals

- The paper application/renewal forms(510/510A) are still mailed out 50 days prior to expiration
- Alternative is Web Renewal – faster and can print your certificate in most cases at your desk top
