

A decorative graphic consisting of a horizontal bar with a gradient from olive green on the left to white on the right. A black bracket is on the left side, and a gold bracket is on the right side. A thin gold circle is partially visible behind the bar on the left side.

**National Association of  
State Controlled  
Substances Authorities  
(NASCSA)**

## General

- NASCSA is a registered nonprofit as a 501(C)(3) organization
- Established in 1984

# **NASCSA Mission Statement**

- The National Association of State Controlled Substances Authorities exists for the purpose of promoting an understanding of all state and federal controlled substances acts as they affect manufacturers, distributors, dispensers, and lawful users of these drugs, by providing an educational opportunity and open forum for the interchange of trends, information, issues, and problems relating to the lawful use of these drugs within the United States.

# NASCSA Member States

# 2007 NASCSA Officers & Executive Committee

# **NASCOSA Officer's & Executive Committee's Duties**
