

## **DEA Response to Change Healthcare Cyberattack (March 1, 2024)**

**Dear DEA Registrants,**

The Drug Enforcement Administration (DEA) is aware and continues to monitor the cyberattack experienced by Change Healthcare. As this cyberattack continues to impact your ability to service patients, DEA is available and willing to assist you in maintaining continuity of care and customer service. Please submit any questions regarding controlled substances operations being affected by the cyberattack to the DEA Diversion Control Division's Policy Section (DPY) at: [dpy@dea.gov](mailto:dpy@dea.gov)

As a reminder please be vigilant and continually monitor your Prescription Drug Monitoring Program (PDMP) account for any anomalies. If prescription fraud is suspected please contact your local DEA Office [DEA Contact Us - Search Utility](#) (usdoj.gov).
