Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Federation of State Medical Boards and the United States Drug Enforcement Administration. The Federation of State Medical Boards is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The Federation of State Medical Boards designates this live activity for a maximum of **3.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Commercial Support

This learning activity is not funded by any commercial entity.

*DEA's participation in this event does not constitute an endorsement by the DEA of FSMB
or their products or services.*

Opioid and Diversion Awareness: The Current State of the Opioid Epidemic

TARGET AUDIENCE

This educational activity is designed for physicians, physician assistants, nurse practitioners and dentists who are certified to prescribe controlled substances.

EDUCATIONAL OBJECTIVES

Upon completion of this activity, participants should be better able to:

- Discuss the updates on the opioid epidemic and current trends in prescribing patterns
- Cite the top controlled substances sold in the United States and seized by the DEA and other law enforcement agencies
- Explain the laws and regulations concerning valid controlled substance prescriptions
- Explain drug diversion in the Medicare Program

COURSE DIRECTOR

Claire Brennan, Chief, Liaison Section, DEA

ACCREDITATION STATEMENT

The Federation of State Medical Boards designates this live activity for a maximum of **3.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

COMMERCIAL SUPPORT

This learning activity is not funded by any commercial entity.

DISCLOSURE OF COMMERCIAL INTERESTS

As an organization accredited by the ACCME, the Federation of State Medical Boards (FSMB) requires that the content of CME activities and related materials provide balance, independence, objectivity, and scientific rigor. Planning must be free of the influence or control of a commercial entity and promote improvements or quality in healthcare. All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients.

The ACCME defines "relevant financial relationships" as financial relationships in any amount occurring within the past 12 months that create a conflict of interest. The FSMB has implemented a mechanism to identify and resolve all conflicts of interest prior to the activity. The intent of this policy is to identify potential conflicts of interest so participants can form their own judgments with full disclosure of the facts. Participants will be asked to evaluate whether the speaker's outside interests reflect a possible bias in the planning or presentation of the activity.

The speakers, course director and planners at the Federation of State Medical Boards and the United States Drug Enforcement Administration have no relevant financial interests to disclose.

DISCLOSURE OF UNLABELED USES

This educational activity may contain discussion of published and/or investigational uses of agents that are not approved by the U.S. Food and Drug Administration. For additional information about approved uses, including approved indications, contraindications, and warnings, please refer to the prescribing information for each product, or consult the Physicians' Desk Reference.

No speakers or persons in control of content reported intent to reference unlabeled/unapproved uses of drugs or products.

INSTRUCTIONS FOR PARTICIPANTS AND OBTAINING CME CREDIT

There is no fee for this activity. To receive credit and a certificate, participants must view this CME activity in its entirety and complete the evaluation.
