Objectives:

At the conclusion of this presentation, participants will be able to:

- Discuss the future outlook on prescription opioids in Texas
- Discuss the insight of the nationwide issues involving opioid prescriptions
- Discuss the Texas rules and regulations for treating chronic pain
- Identify the biological, environmental and behavioral causes and consequences of drug abuse and addiction across the lifespan
- Explain new and improved strategies to prevent drug use and its consequences
- Explain new and improved treatments to help patients with substance use disorders achieve and maintain a meaningful and sustained recovery
- Discuss how to increase awareness to the patients, public on the impact of consequences of drug abuse and drug addiction
- Discuss the regulatory responsibilities required by the Drug Enforcement Administration
- Explore the role of patient bias and beliefs and the abuse of drugs and how it will affect physician treatment of patients

CME STATEMENT / ACCREDITATION

The McAllen Medical Center is accredited by the Texas Medical Association to provide continuing medical education for physicians. McAllen Medical Center designates this live activity for a maximum of [seven (7)] AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

This course has been designated by McAllen Medical Center for seven (7) hour(s) of education in medical ethics and/or professional responsibility.

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS

As a provider accredited by the Texas Medical Association, McAllen Medical Center Office of Continuing Medical Education must ensure balance, independence and objectivity in all CME activities to promote improvements in health care and not proprietary interests of a commercial interest. The provider controls all decisions related to identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods and evaluation of the activity. Course directors, planning committee members, presenters, authors, moderators, panel members and others in a position to control the content of this activity are required to disclose relevant financial relationships with commercial interests related to the subject matter of this educational activity. Learners are able to assess the potential for commercial bias in information when complete disclosure, resolution of conflicts of interest, and acknowledgment of commercial support are provided prior to the activity. Informed learners are the final safeguards in assuring that a CME activity is independent from commercial support. We believe this mechanism contributes to the transparency and accountability of CME.
