The Washington Division of the Drug Enforcement Administration (DEA) is pleased to host the Web-Conferences “Empowering Healthcare Professionals”. During this conference, DEA speakers and Special Guests will present and review information, regulations, and procedures related to the proper handling and prescribing of Controlled Substances, and identify and prevent diversion to help reduce drug overdoses and deaths in the District of Columbia, Virginia, and Maryland.

Register NOW!

WebEx Events Platform
Sept 14th 7:00- 8:00 PM (EST)

www.deadiversion.usdoj.gov/mtgs

AUDIENCE:
- Designed for Veterinarians, Veterinary Technicians, and support personnel that provide direct patient care in Virginia

Topics:
- Overview of the DEA Registration Process
- Inventories and Recordkeeping
- Facilities Inspections
- Drug Destruction
- DEA Resources and Guidance Documents

CONTINUED EDUCATION CREDITS:
The Virginia Veterinary Medicine Association (VVMA) will send a certification of the applicable Continued Education credits. Participants must select YES in the Continue Education Credits field during the Registration process. Information will be sent within 2 weeks after the event to the email provided by the participant during his/her Registration to the event. For information, you may contact VVMA at 804-346-2611 or admin@vvma.org.

ACCREDITATION STATEMENT:
- The individual licensed veterinarian or technician is responsible for the accuracy of personal Continue Education (CE) records. Every 50 minutes of participation is potentially worth one hour of credit for license renewal purposes. Final determination of the acceptance of a program is up to the individual state licensing authority. Visit aavsb.org/DLR to locate the detailed CE license renewal requirements for your state veterinary board.

Disclaimer: The contents of this Conference do not have the force and effect of law and are not meant to bind the public in any way. Is intended only for educational purposes to provide clarity to the public regarding existing resources or requirements under the law or agency policies. The statements contained during the presentations that are not embodied in the law are not binding on DEA.
