Practitioner Diversion Awareness Conference

Training and Resources
Kathy Federico
Acting Section Chief
Regulatory Drafting and Support Section
The following presentation was accompanied by an oral presentation on November 18-19, 2018, and does not purport to establish legal standards that are not contained in statutes, regulations, or other competent law. Statements contained in this presentation that are not embodied in the law are not binding on DEA. Summaries of statutory and regulatory provisions that are summarized in this presentation do not purport to state the full extent of the statutory and regulatory requirements of the cited statutes and regulations. I have no financial relationships to disclose.
This presentation is for educational purposes only. This presentation may not be further copied or used, with the embedded images and videos, without an independent analysis of the application of the Fair Use doctrine.

Fair Use

Under section 107 of the Copyright Act of 1976, allowance is made for “Fair Use” for purposes such as criticism, comment, news reporting, teaching, scholarship, education and research.

Fair Use is a use permitted by the copyright statute that might otherwise be infringing. Any potentially copyrighted material used in this presentation has been reviewed and found to be used in a manner consistent with Fair Use. A completed Fair Use checklist is attached.
Course Objectives

- Introduce practitioners to key federal resources involving controlled substances.

- Inform practitioners on key state resources involving controlled substances.
Course Objectives

- Provide practitioners with information on how to assist patients and their family members with overcoming controlled substance addiction.
Course Objectives

- Provide practitioners with information concerning resources specific to their communities.

- Provide resources for practitioners related to the prescribing and dispensing of controlled substances.
Questions to Discuss

At the completion of this block of instruction you will be able to answer the following questions:

1. Which website can you access in order to obtain information about DEA laws and regulations?

2. Does the DEA provide a guidance manual for practitioners on the DEA website?
3. Which website provides a list of treatment centers for individuals seeking addiction treatment?

4. Which websites would you go to in order to locate a controlled substance collection site?

5. Who can submit a tip to the DEA online?
