# 360-Degree Strategy

360 cities  
Dayton  
Louisville

Three-pronged approach:

- **Diversion Control**

*Actions against DEA registrants operating outside the law and engagement with manufacturers, wholesalers, pharmacies, and practitioners*

- **Law Enforcement**

*Coordinated actions against drug cartels and heroin traffickers in specific communities*

- **Community Outreach**

*Forming local partnerships to empower communities and foster prevention*

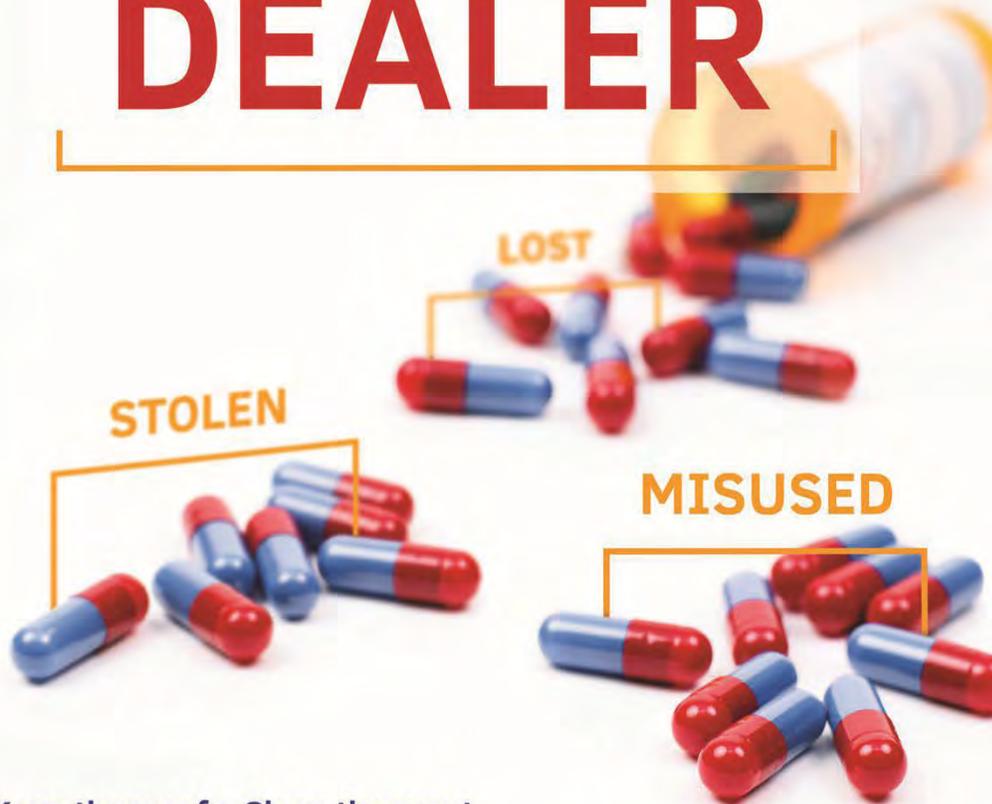

## Registrant Outreach Initiatives

- Physician training
- Pharmacy outreach initiative

The screenshot shows the homepage of the DEA Diversion Control Division website. At the top left is the U.S. Department of Justice Drug Enforcement Administration logo. The main header reads "U.S. DEPARTMENT OF JUSTICE ★ DRUG ENFORCEMENT ADMINISTRATION" and "DIVERSION CONTROL DIVISION". A search bar is located on the right. Below the header is a navigation menu with tabs for HOME, REGISTRATION, REPORTING, RESOURCES, and ABOUT US. The main content area features a large banner for "Report Illicit Pharmaceutical Activities" with a sub-heading "RX Abuse Online Reporting" and an image of spilled pills. To the right of the banner is a "Registration Support" section with contact information and a list of services. Below the banner are four columns of content: "What's New" with a list of recent decisions and orders, "Get Email Updates" with an envelope icon, "DEA Forms & Applications", "Publications & Manuals", "Questions & Answers", "Meetings & Events", and "Quick Links" with a list of system and program links.

The screenshot shows the homepage of the "Get Smart About Drugs" website. At the top left, the text "GET SMART ABOUT DRUGS" is displayed in large, bold, blue letters. Below it, a subtitle reads "A DEA RESOURCE FOR PARENTS, EDUCATORS & CAREGIVERS". To the right, there is a search bar labeled "Search Get Smart About Drugs" with a "DOWNLOAD DEA PUBLICATIONS" button and a "FIND HELP" button. A navigation menu below the search bar includes links for "HOME", "DRUGS & PARAPHERNALIA", "NEWS, TRENDS & STATISTICS", "DRUGS & YOUR FAMILY", "CONSEQUENCES", and "GET INVOLVED". Below the navigation menu, there is a section titled "Be Informed." with the text "Search for information about a drug." and a search interface with a dropdown menu set to "- Any -", a text input field for "Search by Name or Street Name", and a "SEARCH" button. The main content area features a large image of a hand holding a pill, with several other pills scattered on the surface. To the left of this image, there is a text box titled "Rx Awareness - Personal Stories" containing the following text: "The Centers for Disease Control and Prevention recently launched their Rx Awareness campaign to bring attention to the dangers of prescription drug abuse. As part of the movement, they are highlighting real-life stories of people personally affected by prescription opioid addiction. [See their stories.](#)"
