

Practitioner Diversion Awareness Conference

Training and Resources

Kathy Federico

Acting Section Chief

Regulatory Drafting and Support Section

LEGAL DISCLAIMER

The following presentation was accompanied by an oral presentation on **November 18-19, 2018**, and does not purport to establish legal standards that are not contained in statutes, regulations, or other competent law. Statements contained in this presentation that are not embodied in the law are not binding on DEA. Summaries of statutory and regulatory provisions that are summarized in this presentation do not purport to state the full extent of the statutory and regulatory requirements of the cited statutes and regulations. **I have no financial relationships to disclose.**

Fair Use Act Disclaimer

This presentation is for educational purposes only. This presentation may not be further copied or used, with the embedded images and videos, without an independent analysis of the application of the Fair Use doctrine.

Fair Use

Under section 107 of the Copyright Act of 1976, allowance is made for “Fair Use” for purposes such as criticism, comment, news reporting, teaching, scholarship, education and research.

Fair Use is a use permitted by the copyright statute that might otherwise be infringing. Any potentially copyrighted material used in this presentation has been reviewed and found to be used in a manner consistent with Fair Use. A completed Fair Use checklist is attached.

Course Objectives

- § **Introduce practitioners to key federal resources involving controlled substances.**
- § **Inform practitioners on key state resources involving controlled substances.**

Course Objectives

§ Provide practitioners with information on how to assist patients and their family members with overcoming controlled substance addiction.

Course Objectives

- § **Provide practitioners with information concerning resources specific to their communities.**
- § **Provide resources for practitioners related to the prescribing and dispensing of controlled substances.**

Questions to Discuss

At the completion of this block of instruction you will be able to answer the following questions:

- 1. Which website can you access in order to obtain information about DEA laws and regulations?**
- 2. Does the DEA provide a guidance manual for practitioners on the DEA website?**

Questions to Discuss

- 3. Which website provides a list of treatment centers for individuals seeking addiction treatment?**
- 4. Which websites would you go to in order to locate a controlled substance collection site?**
- 5. Who can submit a tip to the DEA online?**

Fentanyl Safety Recommendations for First Responders

November 28, 2017

The abuse of drugs containing fentanyl is killing Americans. Misinformation and inconsistent recommendations regarding fentanyl have resulted in confusion in the first responder community. This document provides scientific, evidence-based recommendations to protect first responders from exposure.

Locate the nearest DEA Office on the [Diversion Control Divisions](#) web-site.

You can search by zip code, city, county, or state.

The screenshot displays the 'DIVERSION FIELD OFFICE CONTACT INFORMATION SEARCH' page. At the top, there is a navigation bar with 'HOME' and a search bar. Below the navigation bar, there are three columns of contact information:

- HQ Mailing Address:** Drug Enforcement Administration, Attn: Registration Section/ODR, PO Box 2639, Springfield, VA 22152-2639
- HQ Registration Call Center:** Our Customer Service Representatives are available to assist with your registration needs. (800) 882-9539, 8:30 am-5:00 pm EST
- Email Address:** DEA.Registration.Help@usdoj.gov

Below this information is a 'Field Office Search' section with a search bar and a 'Search' button. The search bar contains the text 'Enter Zip -OR- [City -or- County] AND State'. Below the search bar, there are input fields for 'Zip Code' (37203), 'City', 'County', and 'State'.

Under the search fields is a 'Search Results' section. It contains a message: 'For Routine Registration assistance about new applications, renewal applications, order forms, or changes to an application or DEA registration: contact a Registration Program Specialist during normal business hours.' Below this message is a table with two columns: 'Location' and 'Registration Assistance'.

Location	Registration Assistance
NASHVILLE DISTRICT OFFICE 801 BROADWAY ESTES KEFAUVER BLDG SUITE 500 NASHVILLE, TN 37203	Phone 1: (615) 736 5591
